

**“Quality policy for dispensing generic products which are not available in BPPI Product Basket”**

1. Products dispensed for Pradhan Mantri Jan Aushadhi Kendras represents high quality standards maintained by our quality Assurance process of BPPI. The Jan Aushadhi Kendras also need to maintain the same standard, as practiced by BPPI.
2. If a store wants to dispense products not available in BPPI product basket as mentioned in the website, the store will send 3 units of the said products to the NABL lab and get the testing done at their cost. The test Report along with one unit of the said product will be sent to BPPI Quality Department. After getting clearance from BPPI the product can be dispensed.
