**METHOD OF EVALUATION AND AWARDS OF CONTRACT**

Bidder(s) are requested to submit all requisite documents as per the terms and conditions, mentioned above.

A duly constituted Evaluation Committee will scrutinize and evaluate the bids for selection of the firm.

Only Agencies obtaining a total score of 60 (on a maximum of 100) or more on the basis of criteria for evaluation given below would be declared technically qualified. Every technical bid shall be awarded an absolute technical score of ‘T’ marks out of a total of 100 marks.

**Criteria for Evaluation of Financial bid:** The Financial Bids of the technically qualified bidders will be evaluated as per the evaluation criteria explained below.

The lowest evaluated Financial bid \((F_m)\) will be given the maximum financial score of 100 points. The financial scores \((F)\) of the other Financial bids will be computed as per the formula for determining the financial scores given below:

\[
F = 100 \times \left(\frac{F_m}{F_b}\right)
\]

Where,
- \(F_b\) = Evaluated amount of financial quote by the particular bidder.
- \(F_m\) = Lowest evaluated amount of financial quote by the bidder.

Financial bids of only those firms which are declared technically qualified shall be opened on the specified date and time, in the presence of representatives of bidders who choose to attend. The name of the Agencies, their technical score (if required), and their Financial bid shall be read aloud.
**Method of Selection:**

In deciding the final selection of the Agency, the technically qualified bid will be given a weightage of 70% on the basis of criteria for evaluation. The price bids of only those Agencies who qualify technically will be opened. The bid with the lowest cost will be given a financial score of 100 and the other bid given financial scores that are inversely proportional to their prices. The financial bid shall be allocated a weightage of 30%. For working out the combined score, the DoCA will use the following formula:

**Total points: \((0.7 \times T(s)) + (0.3 \times 100 \times Fm/Fb)\)**

The bids will be ranked in terms of total points scored. The bid with the highest total points \((H-1)\) will be considered for award of contract.

Example: If in response to this Tender, three bids, A, B & C were received and the Evaluation Committee awarded them 75, 80 and 90 marks on technical bid respectively, all the three bids would be technically suitable. Further, if the quoted price of bids A, B & C were Rs. 120, 100 & 110 respectively, then the following points for financial bids may be given:

- A. \(\frac{100}{120} \times 100 = 83\) points
- B. \(\frac{100}{100} \times 100 = 100\) points
- C. \(\frac{100}{110} \times 100 = 91\) points

For combined evaluated points, the process would be as follows:

- Bid A: \(75 \times 0.7 + 83 \times 0.3 = 77.4\)
- Bid B: \(80 \times 0.7 + 100 \times 0.3 = 86\)
- Bid C: \(90 \times 0.7 + 91 \times 0.3 = 90.3\)

Bid C, in this case would be considered as H1 (Highest total points). The Evaluation Committee will correct any computation errors, in case of discrepancy.
