## Circular

**Subject: Awareness regarding use of POS Software at PMBJP Kendra.**

PMBI is growing organization and has already rolled out end to end supply chain solutions to ensure growth of the 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana' keeping road map of better workflow management and effective supply chain mechanism which is of utmost importance.

The use of POS (Point of Sale) Software under 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana' for targeted delivery of **supply chain solutions, Incentive disbursement** and other IT enabled services, brings the good governance, transparency and efficiency, and enables Kendra Owners to get their entitlement directly in a digital convenient and hassle-free manner from the consolidated pool of services of centralized IT infrastructure.

It is hereby advised to use the same POS software (provided by PMBI for billing purpose) by all Kendra owners where all transactions related to the sale & purchases will be made through this software only.
