No. PMBI/PROC./BARCODE/2024

Date: 02.02.2024

Pharmaceuticals & Medical Devices Bureau of India (PMBI) has streamlined its barcoding mechanism for the supplies of Medicine/Drugs/Surgical & Consumables/Medical Devices and other products. In this regard, earlier only GS1 India was the service provider for GTIN and barcode generation. Now, PMBI supplier may generate the barcodes on primary, secondary and tertiary levels with the help of other barcode generation platform including GS1 India.

GTIN services may remain continue with GS1 India. However, for barcode generation on primary, secondary and tertiary levels, suppliers may approach M/s Dash Technologies & Levels Pvt. Ltd, as well apart from GS1 India.

The contact details of are below: -

Sl. No.	Name of the Contact Person	Purpose	e-Mail ID	Contact No.
1.	Mr. Dashmesh Singh	New Registration	dashmesh@dashtechlabels.com	9599597056
